OUR VALUE PROPOSITION

- ✓ Worry free janitorial program so you can focus on what's important in your day.
- ✓ Surpasses client corporate goals to partner with diverse supplier
- ✓ Agile service provider adaptable to scope and market adjustments
- ✓ Confidence that **your facility partner** understands your business objectives while performing to measured expectations

Key Elements & Differentiators

As Your Facility Partner, We Will:

- **Keep Your Facility Clean, Safe, & Secure** through continuous staff training programs and quality checks
- **Function as a Partner** by utilizing transparency, understanding of client goals, establishing service compliance metrics, and performance reporting
- **Provide Trust & Reliability** through comprehensive employee training, consistent adherence to work schedule, and reinforcement of our contribution to client's success
- **Deliver a Safety Focused Program** that supports a team effort to create and maintain a safe workplace
- **Offer a Sustainability & ESG Program** that includes certified green cleaning and consumable products, reports ESG metrics, and strives toward meeting internal and client goals
- **Deliver Unparalleled Dedication, Steadfast Work Ethic, and Industry Experience** through our multi-generational company that values partnerships and people as the foundation of our success.
